Area Service Committee Meeting Agenda

October 18, 2026
Virtual Meeting ID: 885-373-0525
12:15pm

Open with a moment of silence followed by the service prayer:

"God, grant us the knowledge that we may serve according to your divine precepts, instill in us a sense of purpose, make us servants of your will, and grant us a bond of selflessness that this may truly be your work, not ours, in order that no addict anywhere need die from the horrors of addiction."

Read the 12 traditions and the 10th concept.

I would like to remind everyone including new GSR's that a moment of silence can be called for at any time during the ASC if you feel like the discussion has been derailed, personalities have overcome principles and/or you are totally confused and need the discussion to slow down. If you would like to call for this moment of silence please feel free to raise your hand.

Consensus-Based Decision Making (CBDM)

This committee uses CBDM as its primary decision-making process. This means we discuss, listen, and seek to reach agreement that reflects the conscience of the group, not just the loudest voices. Each member has an equal opportunity to share concerns or support. If consensus cannot be reached, the chair may call for further discussion, table the item, or the proposal does not carry.. Our goal is unity in service, not uniformity of opinion. Initial questions on any proposal are limited to clarifying questions pertaining to the language of the proposal only, no debate or discussion at this stage. When a straw poll is called, members indicate one of the following:

In Support: I support this proposal and am ready to move forward.

Not in Favor: I do not support this proposal.

Abstain: I have questions or need more information before deciding.

Present Not Voting: I am present but choose not to participate in this decision.

Old Business-
NESSSNA- Who are we sending? Colzie, Kayla, Bill, Chris

New Business- From Working knowledge

Proposal: To approve the allocation of available funds to cover the expenses of two additional members attending NESSSNA in addition to the four members funded by Region.

Intent: With seven members expressing interest in attending and Region funding only four, we would like to consider allocating additional funds to support the remaining three. Our current working balance is $1,051.30. We have supported additional members in the past, and funds are currently available. While workshop opportunities may be limited, we believe supporting members who are eager to learn, grow, and become more involved in service is a worthwhile investment in our fellowship.
